An enthusiastic and dedicated entrepreneur with a deep passion for travel and tourism who believes that travel is not just about visiting new places; it's about embracing new cultures, forging meaningful connections, and gaining a broader perspective on life. He is dedicated to ensuring that every journey is filled with moments of wonder, adventure, and relaxation.

Having completed the IATA course in 2007, he arrived in the UAE and started his professional journey in 2008 with a well-established travel and tourism company.

He has spent 11 years building Siyana Travels & Tourism which is committed to providing unforgettable travel experiences to their clients with a motto to make the world more accessible to people, to help them explore new horizons, and to create lasting memories.

His business achievements are they have grown to become a reputable and trusted name in the travel and tourism industry and built a dedicated team of professionals who share the same passion for travel and customer satisfaction.

His mission is to inspire wanderlust, facilitate exploration, and create memorable journeys. He is dedicated to delivering personalized, high-quality travel experiences that cater to the interests and aspirations of clients. His commitment to excellence is unwavering, and takes pride in helping individuals and families discover the beauty of the world.

He intends to discover additional business prospects in the KSA market.
